

Your partner in premium organic fresh cut herbs and lettuce varieties.

100%
Organic

Bee Organic is the specialist in premium organic fresh cut herbs and lettuce varieties.

For years, we have been providing 100% sustainably grown products of the highest quality.

Our mission: We make organic products **accessible to everyone** without compromising on quality, sustainability, or price.

Our expertise: With unparalleled **market knowledge** and a wide network of leading growers, we ensure **continuity** and **reliability** in our deliveries.

100%
Organic

100%
Reliable

Quality assured

We exclusively offer organic fresh-cut herbs and organic lettuce varieties, available year-round.

European cultivation, local focus

Our products come from carefully selected growers in Europe, always with a focus on sustainability and growing as close to home as possible.

Complete control

With our own warehousing and packaging facilities, we have the flexibility to quickly respond to our customers' needs without compromising on quality.

Customer advantage

We offer you a wide range of custom packaging options and always fresh, organic products of undisputed quality.

Partnership with the Best Growers

We work with the best and most **reliable growers** in Europe. Thanks to established programs and close relationships, we guarantee full control and traceability.

Our growers in the Netherlands, Italy, Portugal, Spain, Morocco, and France ensure top products **year-round**.

Your advantage: **continuity, quality** and **reliable delivery** with partners who share our sustainable vision.
